DESCRIPTION OF ITALYROOTING SERVICES

HISTORY ROOTING®

Day dedicated to the history and traditions of the specific town or related locations making guest travelers part of the environment, bringing them back in time to the search of their roots through emotions and charming experiences. A theme is identified based on travelers' story and a full immersion is made with an experienced historian into the history of the origins of one's roots and special chorographical effects to live the experience first-hand and with a special engagement and entertainment.

History consultancy, organization and coordination of each single day.

Days 3-4-5 Naples - Avellino (Campania region) - Capracotta (Molise region)

FAMILY ROOTING® RETURN EVENT

The experience is tailored and customized based on a combination of the findings of the genealogical research and key cultural attractions of the area. It is crafted for a minimum of 2 people and enables them to actively participate in the family and ethnic traditions of the area.

The Family Rooting® Experience includes:

- Preparatory work and preliminary analysis of genealogical research and family story for use in crafting the Family Rooting® event.
- "Family Rooting® Event" organization and consulting services:
 - Special surprises and reception/greeting experiences in your ancestral town(s). (Since these events are uniquely crafted based on the findings of the research, certain detailed information is not disclosed prior to the event to retain the element of emotional surprise.)
 - Scheduled meetings with local representatives.
 - Organization of meetings with any living relatives found.
 - Visit of ancestor's sites/towns, cemeteries with local narrator guides.
- Language service and technical assistance

Days 8 Toritto (Puglia region)
